Dear Ms. Petty,

I am filing an Injunction against OCR in the UNITED STATES DISTRICT COURT FOR THE DISTRICT OF SOUTHERN FLORIDA today. Just read the Injunction and it will explain everything. As Part of my case, I am entering copies of my email exchanges between myself and all related parties. I am unable to attach the emails because the document is much too large to attach, so I have provided a **One Drive** link to the emails. You can down load the email documents very easily when you open the link. I have also attached a TOC of the emails for your convenience. See Link below for emails link;

If you have any problem with any of the downloads, unreadable, or anything else, just let me know and I will resolve the issue as quickly as I can.
